300 Woods Road | Fontana Dam, NC 28733 | 800-849-2258 | FontanaVillage.com

Fontana Village Resort has an assortment of different meeting and dining spaces available for groups of any size. We have a number of beautiful spaces, both indoors and out that will be perfect for your event. Our menus feature popular, local fare. We also invite you to create your own customized menus should you prefer! We do require a minimum of 20 people in order to serve your group buffet style. Should your group be less than 20 people, we can arrange for your meal to be served family style or plated, depending on the number of people in your group. The menus we have paired together are not definite. We can always mix and match comparable items for you.

Your menus should be finalized no later than 30 days prior to your event. At this time we also need a guest count as well. Your final guest count is due 72 hours prior to your event. After your final guarantee, we will not be able to remove anyone from your food order. We require a 25% deposit when booking in order to reserve your meals and meeting space.

Due to specific liability policies, all food and beverage must be provided by Fontana Village Resort.
